

OPEN HOUSE AT BLUFFSIDE FARM

The ShiftMeals GrowTeam Program invites Vermonters onto local farms and gardens to grow their own food.

In partnership with the Vermont Land Trust we are launching a collective community garden at Bluffside Farm. We hope that by providing access to land and education we can foster a more sustainable local food system.

Interested in growing your own food? Come visit us at the farm for an open house!

When: Thursday July 2nd 10:30 am- Noon and 5-6 pm

Where: Bluffside Farm, Scott Rd. Newport, VT

Please wear a facemask!

Can't make it but want to learn more? Visit us at shiftmeals.org or email slevine@skinnypancake.com
